« My teachers pushed me to go further in my way of conceiving musical art.»

Maria Alejandra Jiménez (VE), violinist, student,
MA Classical Music Concert

« I have experienced some very special moments during masterclasses and concerts with musical legends.»

Clément Grin (CH), drummer, Alumni,
MA Jazz Music Concert

« Thanks to the encounters made at the HEMU, I was able to develop my professional network and forge intense artistic friendships.»

Zoéline Troillet (CH), singer, Alumni,
MA Classical Music Concert

APPLIED RESEARCH & DEVELOPMENT

The research activities carried out at the HEMU aim to develop musical practices by combining theory and practice. Each project is developed in collaboration with international and Swiss partners from academic, cultural or professional circles, and gives rise to results that are publicly valued.

PRE-HEM

For young talents who wish to become professional musicians, the HEMU, in collaboration with the Conservatoire de Lausanne, has a music promotion program dedicated to preparing for the entrance exam to a higher school of music (HEM) in Switzerland or abroad.
